

Our Environmental Policy

- Identify and prevent any risk of pollution arising from any of our activities, products and/or services.
- Reduce to a minimum, unnecessary use of materials, resources and energy.
- Reduce to a minimum the environmental impact on all future developments.
- Reduce waste to the lowest practicable level ensuring responsible disposal of waste.
- Undertake environmental audits, measuring the results against established targets.
- Promote employee involvement in all environmental matters, providing suitable training and support.
- Ensure that sub-contractors are made aware of and agree to comply with this policy.
- Undertake on-going review and continual improvement of this policy in the light of any new knowledge, changing legislation, public concerns or the company's requirements.
